June 12, 2006

TO: IAC Members & Designees

PREPARED BY: Bruce Crawford, Associate Director, MMT Division 

SUBJECT: 2007-2011 Draft Strategic Plan Final Review

The Strategic Plan incorporates the goals, strategies, and separate plans of the IAC, SRFB, the needs of the Governor's Forum on Monitoring and the Biodiversity Council, and the newly acquired Invasive Species Council. Many of the metrics in this plan are new and are based upon GMAP principles.

Staff will provide an update on the status of the plan and its impact upon the Board.

The Director must submit the strategic plan to OFM by July 1, 2006 as part of the budget process for the 2007-09 agency budget requests.
