Location:

Natural Resources Building, 1111 Washington Street SE, Olympia, WA 98501

Driving Directions and Parking: <http://www.rco.wa.gov/rco/contact.htm>

Be sure and park in the Visitor Parking area (P-1) directly off of Washington Street. The cost is 50 cents per hour. Other areas require a special permit and without one you can be ticketed. The building entrance is located under the building overhang. You will need to take the elevator to the lobby. Exit the elevators and cross the rotunda. Turn left and go by the bank of elevators. Turn right down the hallway and look for the Project Evaluations sandwich board at the doorway to Room 175A/B.
