Firearms and Archery Range Recreation Program Project Summaries (In Rank Order)

Kettle Falls Gun Club **Expanding the Kettle Falls Gun Club**

Grant Request: \$89,550

The Kettle Falls Gun Club will use this grant to buy and develop 10 acres to expand the current shooting range, which is 2 miles south of Kettle Falls in Stevens County. The gun club will install utilities and build a new clubhouse, three trap fields, roads, and parking. This project replaces facilities that have lasted past their life cycle. By accomplishing this project, the gun club will provide a modern shooting range for its membership, the local high school shooting team, hunter safety classes, local law enforcement agencies, and other activities. The Kettle Falls Gun Club will contribute \$108,450 in cash and donations of equipment, labor, land, and materials. For more details, click [12-1717](#).

Bainbridge Island Sportsmen's Club **Enhancing Rifle Range Safety**

Grant Request: \$95,181

The Bainbridge Island Sportsmen's Club will use this grant to improve safety at the rifle range. The club will move the range building 20 feet to allow a true 100-yard range, install safety lights, place a granite-filled berm and cap on the receiving end to trap ricochets, rebuild two muffler boxes and build two additional boxes, and widen the range 10 feet to accommodate two new shooting lanes. The club also will build shooting stations and tables that individuals sit at to shoot and install special beams to prevent bullets from escaping the range. Finally, the club will resolve drainage problems, develop a link to a parking spot for people with disabilities, and plant rapidly growing trees to serve as a sound barrier. The Bainbridge Island Sportsmen's will contribute \$56,928 in donated labor. For more details, click [12-1769](#).

Gig Harbor Sportsmen's Club **Installing a Lead Shot Containment Curtain**

Grant Request: \$150,000

The Gig Harbor Sportsmen's Club will use this grant to build a 50-foot-by-480-foot, lead shot containment curtain behind four traps. The curtain will be built on the club grounds and will ensure that no shot leaves the property, make spent shot recovery easy and more frequent, and create a safer and cleaner environment. The Gig Harbor Sportsmen's Club will contribute \$75,700. For more details, click [12-1745](#).

Cowlitz Game and Anglers **Completing the Cowlitz Range**

Grant Request: \$100,000

The Cowlitz Game and Anglers Club will use this grant to complete construction of the Cowlitz Shooting Range, which is 3 miles north of Castle Rock in Cowlitz County. The club will build a clubhouse, pistol range, trap fields, and pathways, and install utilities, a range security system,

Firearms and Archery Range Recreation Program Project Summaries (In Rank Order)

and general security lighting. Trap throwing machines, liability insurance and permitting costs also will be provided by this grant. The Cowlitz Game and Anglers Club will contribute \$100,000 from a private grant and donations of cash, equipment, labor, and materials. For more details, click [12-1810](#).

Black Diamond Gun Club Expanding the Club and Upgrading Security

Grant Request: \$150,000

The Black Diamond Gun Club will use this grant to buy about 60 acres of adjacent Weyerhaeuser land on the northeast and northwest edges of the property for future expansion. The land would be developed in the future with a firearms training facility, hunter safety education facility, sporting clays range, and an archery range. It also provides a needed buffer from the increasing development occurring around the club. The gun club also will use this grant to design and install a surveillance and member access control system to enhance the security of the clubhouse, shooting ranges, storage buildings, and parking areas. The club is 2 miles south of Black Diamond and serves more than 400 members and 1,000 non-members. The Black Diamond Gun Club will contribute \$150,000 from a private grant and donations of cash and labor. For more details, click [12-1442](#).

Issaquah Sportsmen's Club Building a Safety Berm

Grant Request: \$21,000

The Issaquah Sportsmen's Club will use this grant to build a new state-of-the-art berm for the 25-yard shooting area. Construction of the berm will limit the distance a bullet travels before it is captured, minimizing ricochet. The land beyond the berm will give the club a place to store maintenance equipment and raw materials needed to maintain the range. The additional storage space will help the club improve its maintenance schedules, services to shooters, and the overall safety of the facility. Located just southeast of Issaquah and adjacent to Issaquah High School, the sportsmen's club is a primary provider of shooting sports facilities for central King County. The club has more than 500 members and supports more than 3,000 independent public shooters using the facility. The Issaquah Sportsmen's Club will contribute \$21,000. For more details, click [12-1792](#).

KBH Archers Upgrading the KBH Archers' Facilities

Grant Request: \$22,158

KBH Archers Inc. will use this grant to build a roof over the shooting line and spectator area of the outdoor practice range, pave a 300-foot path to the practice range, and replace several target frames at the archery club, which is 7 miles north of Belfair. The club has a 2-mile roving field course with 28 targets, a practice range, and an indoor range with 18 shooting lanes. KBH

Firearms and Archery Range Recreation Program Project Summaries (In Rank Order)

Archers will contribute \$22,869 in cash and donations of equipment and labor. For more details, click [12-1216](#).

Renton Fish & Game Club Inc. Buying Bunker Machines

Grant Request: \$32,656

The Renton Fish & Game Club will use this grant to buy 15 automatic traps to enhance its international trap. The club is the only one in Washington that offers international trap, and the new traps will allow the club to start a youth program and train kids possibly to be future Olympians. Located in the Renton Highlands, the club serves more than 900 members and 10,000 non-members annually. With this grant, the club also will buy a computer system that is token-controlled, make adjustments to its conduit and electrical systems needed to install the traps, and rebuild platforms for the traps. The Renton Fish & Game Club Inc. will contribute \$32,657 in cash and donations of labor and materials. For more details, click [12-1171](#).

Renton Fish & Game Club, Inc. Completing the Clubhouse Renovation

Grant Request: \$55,000

The Renton Fish & Game Club will use this grant to complete the interior renovation of the clubhouse, which includes remodeling the kitchen and building a large classroom that can be divided into two smaller rooms. The club conducts hunter safety courses, firearms safety courses, police training, and multiple range officer trainings as well as hosts a number of large events such as the Washington State Championship for Cowboy Action Shooting and the Washington State Championship for the International Defensive Pistol Association. The original clubhouse was constructed about 1951. The Renton Fish & Game Club will contribute \$55,000 in donations of cash and labor. For more details, click [12-1799](#).

Fort Colville Gun Club Buying Trap Machines

Grant Request: \$42,000

The Fort Colville Gun Club will use this grant to buy nine trap machines and a target counter. The project will allow the club, which is 3 miles east of Colville in Stevens County, to expand shooting opportunities to the public. The new machines will replace four skeet machines and also add five machines to an existing skeet field to develop a five-stand sporting clays facility. A remote control target counting key card will be used with the new throwing machines. The Fort Colville Gun Club will contribute \$42,000. For more details, click [12-1788](#).

Firearms and Archery Range Recreation Program Project Summaries (In Rank Order)

Seattle Skeet and Trap Club Replacing Aging Skeet and Trap Machines

Grant Request: \$54,701

The Seattle Skeet & Trap Club, which is in eastern King County, will use this grant to buy new clay target throwing machines for skeet and trap shooting to replace equipment that is more than 30 years old. Some of the old machines were bought as used equipment when the club was just starting up. Replacement parts are not readily available and repair expertise is limited to a few people. Additionally, the club expects to attain basic repair and maintenance training from the manufacturer for several range volunteers. The Seattle Skeet and Trap Club will contribute \$54,702 in cash and donations of labor and materials. For more details, click [12-1090](#).

Wenatchee Gun Club Replacing Clay Target Machines

Grant Request: \$19,200

The Wenatchee Gun Club will use this grant to buy four new clay target machines. The club bought biodegradable targets, which are healthier for the environment and less expensive, but more fragile than those previously used. The old target throwing machines break nearly 8 percent more biodegradable targets than standard targets. The new machines are more efficient and will increase the capacity for more shooters and additional tournaments. The new traps will enhance the clay target shooting sport in the Wenatchee Valley by offering more clay target sporting options, reduce the cost of operation, improve the environment, and keep the sport affordable for the public. The Wenatchee Gun Club will contribute \$19,200 in cash and donated labor. For more details, click [12-1748](#).

Lynden Shotgun Club Building a New Clubhouse and Replacing Skeet Machines

Grant Request: \$82,000

The Lynden Shotgun Club will use this grant to build a new clubhouse and replace aging skeet machines. The club plans to replace a 50-year-old chicken coop that was remodeled into the clubhouse in the early 1980s. The clubhouse is inadequate as a training and meeting facility, has no insulation, is expensive to heat in winter, has mold problems, and needs new flooring and walls. The proposed new building will be significantly larger and will have modern facilities, wiring, and heating. It will be connected to existing restroom and showers, which also will be improved. The old clubhouse will be converted to a storage facility. The club also will use this grant to buy two skeet machines providing five fields with modern, target-throwing equipment. The Lynden Shotgun Club will contribute \$82,000 in cash and donated labor. For more details, click [12-1781](#).
